

Missouri District Report Card

Missouri School Improvement Program - Annual Performance Report for 2024

ESSA Accountability Plan for 2024

Beginning in 2020, the Report Card calculates based on a fixed dataset derived from the current school year to produce a static report; therefore, it may not match other reports on the MCDS Portal. The Report Card is intended to represent a fixed period of time, while all other reports are periodically updated to display current data.

Due to issues with the baseline salary grant data, some SY 2023 faculty data may have been revised.

Definition

Total instruction and support expenditures of Federal, State, and local funds, includes actual personnel expenditures and actual non-personnel expenditures in a fiscal year. Calculation excludes capital outlay, food service local and state revenue, student activities revenue, tuition received from patrons and other districts/charters, and transportation fees from patrons and other districts. Total is divided by September Membership as reported on the last Wednesday in September to calculate the expenditures per pupil.
