

KCPS CHILD NUTRITION SERVICES

September '24

Get Ready for Domino's!

Is it really September already? The school year is off to a great start and what better way to celebrate than with some pizza!

This year, KCPS Child Nutrition is partnering with Domino's pizza to provide Smart Slices at lunch once per month. Your pizza day will be either Wednesday, Thursday or Friday of the third cycle week.

Say "CHEEEEEEESE" if you're excited to grab a slice with all of your friends! You'll know it's your pizza day when you see our staff in their new Domino's shirts.

Nutrition Corner

When you want something sweet, crunchy and packed with vitamins, look no further than the bell pepper!

Bell peppers come in tons of colors and are an extremely versatile vegetable. From enjoying sliced bell peppers with a veggie dip to stuffing them with your favorite meat filling, bell peppers can do it all!

And we haven't even talked about the vitamins yet. Did you know that a red bell pepper has twice as much Vitamin C than an orange? Nutrients like Vitamin C help our bodies stay strong, fight off illnesses and feel our best.

Pepper Power

Plenty of peppers in our new Philly Cheesesteak!
