Never-ending needs for KCPS families

Our Mission

KCPS exists to graduate students, through ever increasing achievement, that are college, career and workforce ready.

ENROLLMENT OF HOMELESS OF TRANSITIONAL STUDENTS

Federal law guarantees homeless or transitional students immediate enrollment even if a child or youth is unable to produce the records required for enrollment in KCPS. Upon enrollment, the Office of Students in Transition will work with the family to ensure records are gathered and submitted in a timely manner.
